The history of the world begins with a time known as prehistory, the time before recorded history. No one was there to record, or write down, what happened. The closest thing we have to a record of it is what we read in the Bible. This year in Bible we'll read the beginning of Genesis, which records the "prehistory" period. Also, the book of Job is probably from this time. Historians who ...

Many social scientists have replaced the word race with the word “ethnicity” to refer to self-identifying groups based on beliefs concerning shared culture, ancestry and history. Alongside empirical and conceptual problems with “race”, following the Second World War, evolutionary and social scientists were acutely aware of how beliefs about race had been used to justify discrimination ...
