The writing of Henry David Thoreau is as full of life today as it was when he published Walden one hundred years ago. In seeking to understand nature, Thoreau sought to "lead a fresh, simple life with God." In 1848 a seeker named Harrison Blake, yearning for a spiritual life of his own, asked the then-fledgling writer for guidance. The fifty letters that ensued, collected here for the first time in their own volume by Thoreau specialist Bradley P. Dean, are by turns earnest, oracular ... Dear Young Spiritual Seeker, You asked me in your last letter, "should I fear death?" I cannot ask that question for you, you have to find out the answer to that questions by living and dying. I will not quote spiritual books to you or speak in terms of academic theology. I will speak from my own truth simple and plain. I do not know what lies after death. However, I do know that our life here is but a blink of an eye; human beings are but children to ancient trees or wise old turtle ... Let us not weary ourselves by resisting them. When we would rest our bodies we cease to support them; we recline on the lap of the earth. So, when we would rest our spirits, we must recline on the Great Spirit. Let things alone; let them weigh what they will; let them soar of fall." — Henry David Thoreau, Letters to a Spiritual Seeker

The title uses the word spiritual seeker, which carried a different connotation to me. I thought of it as prayer etc. but spiritual for Blake and Thoreau is more about enjoying life. Thoreau, if you know anything about him, was a big proponent of simplicity and natural things to provide a genuine enjoyment of life, to be spiritually alive. These letters describe that life.
