The idea is that you give your answers as quickly as possible. In the Times Tables Speed Test X you are awarded 10 points for each correct answer and a point for each second that is left. The most important thing is that you answer the question within the time allowed, because that is how you score most points. If you select all tables for this test you will be as fast as you can!

Or with you. That is very important for his motoric, social and immune skills, too. In general, just being a kid. With not too much responsibilities and just being able to play freely. 1.5 h of serious work and learning every day do sound a bit much, if that means, it is cut from the outside time with you.
