Puppetry is one of the most intensively multidisciplinary arts in the world. We've all made a sock puppet in elementary school, but puppetry, as a fine art and entertainment medium, incorporates everything - art and design, material science and engineering, acting and movement, and even robotics and computing. Those who want to work as professional puppeteers, or to incorporate puppetry ...

A puppeteer is a person who manipulates an inanimate object, called a puppet, to create the illusion that the puppet is alive. The puppet is often shaped like a human, animal, or legendary creature. The puppeteer may be visible to or hidden from the audience. A puppeteer can operate a puppet indirectly by the use of strings, rods, wires, electronics or directly by his or her own hands placed ...
