History of the company Before World War I. Stuart Turner Ltd was incorporated in 1906 and started to produce model steam engines, gas engines for domestic electricity, lathes, etc. Stuart Turner went on to produce further model steam designs, and in 1906 there were nine models in the range. By 1907 more space was needed so premises were rented at Market Place in the centre of Henley-On-Thames ...

Development. The development of the fourth-generation C/K began in 1984, with design operations headed by General Motors Truck and Bus Group. In comparison to its predecessor, computers took on a greater role in the development of the fourth-generation C/K, with GM using computer data to develop both components and tooling for the vehicle. The second vehicle to adapt the GMT platform ...
