An attractive feature for some trustees of SMSFs is their ability to hold a business property but, if it is the only investment in their SMSF, their investment strategy will need to state how and why an illiquid investment meets the needs of the trustees. A single asset SMSF with a business property would not be the desired investment strategy of a retiree paying a pension, for example.

[Pension - Wikipedia](#)

Most of the flexibility to access lump sums from your pension applies exclusively to those with a defined contribution pension (also known as a money purchase pension). If you have a defined benefit/final salary pension, you'll need to check with your pension trustees for the rules that apply to your scheme.
